

PENSION BOARD IS NOW  
READY FOR BUSINESS—AN-  
NOUCEMENT MADE THAT  
OFFICES ARE OPENED  
THROUGHOUT ALBERTA—  
ARRANGEMENTS FOR MAK-  
ING APPLICATION

Edmonton, June 26.—Announcement is made this morning by Alex. Ross, chairman, that the Alberta Old Age Pension Board is now ready for business, and that its offices throughout the province were opened today. Application forms are available for all persons desiring to apply for pensions, and arrangements have been made by the board whereby applicants will be able to do so with the least possible difficulty. In Edmonton and Calgary applicants are expected to call at the Workmen's Compensation Board offices, applicants living outside of the limits of these cities on the rural districts are expected to call at the offices of the secretary treasurer of the respective municipalities. In the cities of Medicine Hat, Lethbridge, Wetaskiwin and Red Deer, the civic officials have kindly consented to assist the applicants in filling out these forms which can be obtained at the city hall in the city. In the unorganized territories the Alberta Provincial Police will be supplied with forms. Applicants living in these districts will be expected to apply to the nearest office of the Alberta Provincial Police for the application forms.

Mr. Ross states that the reason the board is asking that all applicants appear in person is that the application forms are rather complicated, and it is the expectation that by getting the several dependable agencies above mentioned to assume the work the applicants will be afforded all assistance and accommodation, and thus also avoid all unnecessary delay.

NOTICE TO CREDITORS AND  
CLAIMANTS

In the estate of FREDERICK W. TIMLECK late of the Town of Macleod in the Province of Alberta, Accountant, Deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named Frederick W. Timleck, who died on the 5th day of April, A. D. 1929, are required to file with WILLIAM WHITWORTH of said Macleod, Administrator of said estate or with the undersigned by the 15th day of August, A. D. 1929, a full statement duly verified of their claims and of any securities held by them, and that after that date the Administrator will distribute the assets of the deceased among the parties entitled thereto having received only the claims of which notice has been so filed or which have been brought to his knowledge.

DATED this 20th day of June, A. D. 1929.  
JOSEPH D. MATHESON, C. C.,  
of the Town of Macleod, Alberta,  
Solicitor for the Administrator.

## TAX SALE OF LAND

PUBLIC SALE OF LAND UNDER  
THE TAX RECOVERY ACT,  
1929, MUNICIPAL DISTRICT OF  
ARGYLE, NO. 99.

Notice is hereby given that, under the provisions of the tax recovery act 1929. And amendments thereto, the Municipal District of Argyle No. 99 will offer for sale, by public auction, at the municipal office, Granum, Alberta, on Thursday the 27th day of June, 1929, at the hour of two thirty o'clock p. m. the following land:

All West of the Old Man River, in legal subdivisions seven (7) of the S. E. quarter of section fifteen, in township ten, range twenty-five, West of 4th meridian, containing twelve acres more or less, and all West of the Old Man River, in legal subdivision nine and ten, of the South-half of the N. E. quarter in section fifteen, in township ten, range twenty-five, West of the 4th meridian, containing fifty-five acres, more or less.

The above land will be offered for sale, subject to a reserve bid, and the reservations contained in the existing certificate of title, and reserving thereout all mines and minerals.

Redemption may be effected before the sale by paying all arrears of taxes and costs.

Dated at the town of Granum, Alberta, this 4th day of May, 1929.  
JAMES BLAIR,  
Secretary-Treasurer, of the M. D. of  
Argyle No. 99.  
15-3t

WILL CREATE TWO OR THREE  
MORE SEATS ALBERTA  
HOUSE IS REPORT ON RE-  
DISTRIBUTION

Edmonton, June 25.—After a preliminary skirmish with the vexed question of re-distribution in the provinces, the special legislative committee, named last session, has dis-  
posed for a few weeks with the following salient suggestions for a reshuffle more or less fixed in their minds, according to reports circulated in well-informed government circles here.

The vast constituency of Peace River will be cut in two, with a member each for Peace River and Grand Prairie.

The constituencies of Vegreville and Camrose may be revamped to provide for another seat between the two.

Industrial seats will be created at Drumheller and at Turner Valley. The comparatively small group of constituencies consisting of Okotoks, High River, Nanton, Claresholm, Macleod and Pincher Creek probably will be realigned with a reduction of two seats.

No change will be recommended in the cities of Calgary and Edmonton. It is understood, each now having five members in the legislature. Some months will elapse before the special committee completes its work, steps being taken at the present time to obtain information from other provinces as to how the problem of re-distribution has been met. In any event, the clamor for a reduction of the number of legislative seats has been definitely left behind, and the recommendation of the special investigators at the next session of the assembly will call for an increase of two constituencies in the province and possibly three.

Under instructions from the house last session, the re-distribution committee may suggest an additional three seats over the present membership of sixty. The members of the committee are: Wm. Farquharson (government) Ribstone; Hon. O. L. McPherson, Hon. R. G. Reid, Wm. Shields (government) Macleod; L. Joly (government) St. Paul; Geo. Webster (Liberal) Calgary; Fred White (Labor) Calgary; H. Allen (government), C. Y. Weaver (Conservative) Edmonton.

## LEISURELY WORKERS

An elderly lady in Egypt was being shown round the Pyramids.

"Madam," said the guide impressively as they halted opposite one of the mighty erections, "it took nearly 2000 years to build that."

"I can quite believe it," rejoined the visitor vigorously. "Our work men, at home are very nearly as hard."—Pearsons.

Impounded on the Peigan  
Reserve, Brocklet, Alberta

One brown mare, star and snip box A also T lazy V left shoulder.

One black yearling gelding, no visible brand.

One iron grey filly, 3 years old GA monogram right hip.

One bay bald faced gelding, quarter circle over DC right shoulder.

One grey horse, lame, bar over UV over lazy V and TR monogram left shoulder, also indistinct brand left hip, lazy P left thigh.

One grey gelding, glass eye, lazy B over 121 right hip.

One iron grey filly, 3 years old bar over cross 3 right thigh.

One black 2 year old gelding, one dunple bay mare, star and snip, both branded triangle B monogram left hip.

One iron grey filly, gentle, fore-top clipped, no visible brand.

One bay mare, strip, reversed DW monogram right hip.

One bay 4 year old mare, star, 2 white hind feet, brand appears to be lazy F2 right hip.

One brown 3 year old filly, star, blotch right shoulder.

One black mare, one white hind foot, D on right hip.

One black 3 year old filly, 2 white hind feet, strip in face. No visible brand.

One black 2 year old gelding, lazy B over 55, quarter circle below, right hip.

One bay gelding, 3 white feet, strip AD on nose, pony, aged, brand TT upside down on left thigh, and said animal was sold on Friday, June 7th, to W. Hunt, of Macleod, Alberta. One gelding, aged, red roan, white face and hind legs, branded reversed 4 with 7 over O right shoulder, and said animal was sold on Friday, June 7th, to W. Hunt, of Macleod, Alberta.

Impounded in the pound kept by John Koole, on the S. E. Quarter 6-10-24, W. 4th meridian, on Tuesday, May 21st, 1929, one roan gelding, branded lazy B over 15 on right hip, sold on Thursday, June 6th to B. Vandermeer of Pearce, Alberta. On Saturday, May 25th, 1929, one brown gelding, branded T diamond under bar through reversed 8 on right hip; also one sorrel horse, branded T diamond on right hip, both animals sold on Thursday, June 6th, to H. Burchman, of Pearce, Alberta. On Wednesday, May 22nd, 1929, one white pony, branded lazy B over 148 on right hip, and K H over bar on left shoulder, sold on Thursday, June 6th, 1929 to C. Pinxten, of Pearce, Alberta.

And that said animals may be redeemed by the owners or on their behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.  
Harry W. Bright,  
Secretary-Treasurer,  
Municipal District of Bright, No. 69  
Post Office—Macleod.

WARNING REGARDING DANGER  
OF DISCHARGING WASTE  
OILS INTO SEWERS

A propos of the recent sewer explosion in Ottawa the following quotation from an editorial article in the Canadian Engineer for September, 1928, reprinted in Abstracts of Current Public Health Literature, for April, 1929, issued by the Department of Pensions and National Health at Ottawa, is commended to the attention of civic officials and others:

"Every municipal authority should exercise all its powers to prevent the discharge of waste oils into the sewers, or into any body of water that comes under its jurisdiction. Public garages and gas stations should be so fitted that oil and gasoline are kept out of the sewers. Citizens in general should be given to understand that the public sewer is not the place to get rid of waste oil from crank cases or other parts of automobiles. Dangerous explosions have resulted from the entrance of oil and gasoline into sewers, and it is almost a criminal act to use sewers for such a purpose. At the same time municipal authorities should realize that waste oil must be not rid of and make provisions for its collection and disposal if commercial interests are not prepared to make some use of this waste. In Utica, N. Y., waste oil is collected to aid combustion in garbage disposal plants, and has resulted in considerable reduction in the cost of incineration."

It is expected that the enquiry being held in Ottawa in connection with the explosion will result in very stringent regulations being recommended in connection with the discharging of waste oils into the sewers.

The Department would advise that steps be taken by the council of your municipality to prevent the discharging of waste oils into the sewers.

Those who have private system of sewage disposal should also bear in mind that it is exceedingly dangerous to discharge waste oils into septic tanks.

The department will be glad if you will make this known to all those within your district who have a private system of any sort.

Yours truly,  
R. B. OWENS, B. A., B. E.,  
Provincial Sanitary Engineer.

85 DEGREES IN THE SHADE  
AND BABY

It is 85 in the shade as this is being written with every prospect of being warmer. Half an hour ago a young Mother was giving her baby an airing in his buggy. Mister baby was far from happy and didn't mind letting every one know it. Dothet was dressed in a cool white sleeveless dress and wearing a shady hat. Baby was wearing a hot woolen close fitting hood tied under his protesting little chin. He was tucked tightly in to the buggy with several layers of blanket and on top of that a nice warm wooly shawl, and although they could not be seen, it is almost certain he was wearing wooden stockings. Comparing mother's warm day outfit with baby's, is it any wonder his protests were loud and long?

Baby feels the heat just as much as Mother does and suffers more because he cannot make himself comfortable. He has to wait until some one else thinks to do it.

In the Summer heat baby's clothes should be the minimum. If a Mother has any doubt, let her slip her hand inside baby's clothes and if the little body feels moist then he is too warm. Cloth lightly and cover lightly so that the air may circulate freely over his skin. This keeps him cool. Give him cool boiled water between feeds. He gets thirsty too during hot days.

Do these things and a happy contented baby will be the result.

For "Summer care of babies" send to the Canadian Red Cross Society, 407 Civic Block, Edmonton, Alta.

A chemist says he is getting diethyl used in making dimethyl glyoxime out of common newspapers. If you see it in the papers, it is so.

THE DOMESTIC ANIMALS ACT  
(MUNICIPALITIES) — SALE  
AND REDEMPTION OF IM-  
POUNDED ANIMALS (SEC. 18)

Notice is hereby given under Section 18 of The Domestic Animals Act (Municipalities) that the following animals were impounded in pounds as respectively stated and on dates as to impoundment and sale as below:

Impounded in the Pound kept by H. W. Tomlinson, on the S. E. quarter 2-8-26, W. 4th meridian, on Friday, May 24th, 1929, one black mare, aged, branded W4 right thigh, and said animal was sold on Friday, June 7th, to W. Hunt, of Macleod, Alberta. One gelding, aged, red roan, white face and hind legs, branded reversed 4 with 7 over O right shoulder, and said animal was sold on Friday, June 7th, to W. Hunt, of Macleod, Alberta.

Impounded in the pound kept by John Koole, on the S. E. Quarter 6-10-24, W. 4th meridian, on Tuesday, May 21st, 1929, one roan gelding, branded lazy B over 15 on right hip, sold on Thursday, June 6th to B. Vandermeer of Pearce, Alberta. On Saturday, May 25th, 1929, one brown gelding, branded T diamond under bar through reversed 8 on right hip; also one sorrel horse, branded T diamond on right hip, both animals sold on Thursday, June 6th, to H. Burchman, of Pearce, Alberta. On Wednesday, May 22nd, 1929, one white pony, branded lazy B over 148 on right hip, and K H over bar on left shoulder, sold on Thursday, June 6th, 1929 to C. Pinxten, of Pearce, Alberta.

And that said animals may be redeemed by the owners or on their behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.  
Harry W. Bright,  
Secretary-Treasurer,  
Municipal District of Bright, No. 69  
Post Office—Macleod.

LONDON TIMES EULOGIZES  
DEAD CANADIAN STATESMAN

London, June 26.—(CP)—A two-column obituary of Right Hon. W. S. Fielding, Canadian statesman who died late on Sunday, was published by the Times, in which the thrift, efficiency, integrity and administrative abilities of the man who was Canada's minister of finance for 15 years are stressed.

The fiscal policy agreed upon at the National Liberal convention at Ottawa, in 1893, was largely the result of Hon. Mr. Fielding's conciliatory temper and deft diplomacy, the Times says.

"Mr. Fielding impressed himself on the convention more than any other man except Sir Wilfrid Laurier himself, and that without effort or pride, says the Times.

should be the minimum. If a Mother has any doubt, let her slip her hand inside baby's clothes and if the little body feels moist then he is too warm. Cloth lightly and cover lightly so that the air may circulate freely over his skin. This keeps him cool. Give him cool boiled water between feeds. He gets thirsty too during hot days.

Do these things and a happy contented baby will be the result.

THE BREACH

O. C. (to recruit): "You must remember that we are a big family and that you must have confidence in the elders of the regiment. I am father of the regiment. Do you understand?"

Recruit: "Yes, Dad." — Passing Show.

While the queen's speech in 1900 was one of the shortest in the long parliamentary history, consisting of only three sentences, it is believed the king's speech on July 2 will be one of the longest. In it the new Labor Government will outline the legislative program for the session and the measures they will take to reduce the unemployment problem are probably the most interesting of what is altogether an eagerly awaited speech.

MACLEOD DISTRICT C. G. I. T. CAMP 1929—JULY 3rd to 12th

Macleod District C. G. I. T. goes into Camp Wednesday noon, July 3rd and continues to Friday, July 12th—9 days. The camp site will be on Willow Creek, near Macleod, where, if conditions are favorable, the girls will enjoy swimming facilities.

Cost—In addition to railway fare the cost is \$6.00, which includes a registration fee of \$1.00 to accompany application. The remainder is paid at Camp.

What to bring—1 empty tick (2'x6"), ground sheet or heavy oilcloth; 1 pillow with dark cover; knife, fork, spoon, cup, 2 saucers, plate, dish towel; heavy shoes worn as-shoes, mitts (including a dark one), bloomers or short dark skirt, rubbers, running shoes, sweater or warm coat, bathing suit, simple dress for Sunday; sheets, pillowcases, towels, blankets; Bible, notebook, pencils. Extras—Camera, musical instruments, flashlight, good books, stunt costumes. Baggage is limited to one suitcase and one dunnage bag or two suitcases.

Meals—The Camp aims to serve excellent meals. Campers are requested to ask their parents and friends to refrain from sending them "boxes from home."

Visitors—A visitors' day will be announced in the final letter to campers. Please ask your friends to come on this day only, so that the camp programme may not be unnecessarily interrupted.

For further information call on or write Miss Olive Young—also address registrations to her at Macleod—registration should be in Miss Young's hands not later than Saturday June 29th.

SOME DAY—PERHAPS!

"Do you live in the city?"

"No, just outside the city limits—we've moved to the 350th floor—Christian Science Monitor.

The growing tendency toward airplane travel gives promise of the time when wild flowers will again grow along the countryside.

A package addressed to Mrs. Charles A. Lindbergh, Washington, D. C., was marked "Unknown." The Post Office Department of that city evidently is in a class by itself.

IDEAL DUET

"What did you think of the entertainers who did that duet?"

"Ideal! He played the piano so loud in places you couldn't hear her sing; and she sang so loud at times you couldn't hear his playing."—Christian Science Monitor.

PENSIONS PLAN IS EFFECTIVE  
ON AUGUST 1

Ottawa, Ont., June 19.—(C. P.)—Answering the communication of Mr. Peter Heenan, minister of labor, informing them that an order in council had authorized his proceeding to negotiate with Alberta for an old age pensions scheme, the government of that province wired acceptance of the plan today.

Yesterday the Dominion cabinet meeting approved the scheme for Alberta. Mr. Heenan acted immediately, and re-wrote back to him with a short time of Alberta's notification. Alberta will adopt the pension system, starting August 1, 1929. British Columbia, Saskatchewan and Manitoba have for some years enjoyed the old age pensions scheme. Alberta's entry into the scheme links up the entire west in the movement.

WASTED EFFORT

"For ten years, ten long and lean years," cried the writer, "I have been writing this drama, changing a word here, a line there, working on it till I was weary from the toil."

"Too bad, too bad," the producer murmured. "All work and no play."—Tit-Bits.

## CUTTING DOWN THE NOISE

Now comes the silent airplane cabin wherein passengers may converse at ease without raising the voice.

A fibre known as "dry zero" absorbs noise and conserves heat in the cabin. The outside covering is of duralumin. The interior is of "insulate," a cross between glass and metal. The wall is made of two layers of "dry zero" with a thin strip of fibre board in between.

Thus at low cost and without adding weight, the U. S. Bureau of Standards reports it has solved the noise problem.

That gives us a peep into the future for land dwellers as well as fliers. The noise of an airplane in motion, experts have found, totals about twice as many sensitive sound units as the noise of the average city street.

It should, then, be only half as difficult to build soundproof homes and offices as to build a soundproof airplane cabin.

Nerve scientists explain the resistance which the body builds up to the irritation of noises. And when the body is weakened, the

advice is, "Get away where it is quiet."  
Most noises are unnecessary, and most of the necessary ones are louder than they need to be. But since we cannot expect and do not want a Utopia of silence, we can at least rejoice that there is ultimate and inexpensive protection from the neighbor's postmidnight radio and the chronic habit somebody else has of moving the furniture over a carpet of dishpans just when we crave quiet.

## DIET AND INTELLIGENCE

The importance of a child's diet is emphasized strikingly in an article in the current issue of Children, the Parents' Magazine, by Dr. John Monroe found a direct connection between a child's intelligence and the food it eats. While food, of course, was not the only factor, he was able to make this definite statement:

"Where food was wholesome, intelligence had thrived, and where, as a result of poverty or slovenliness, food was inadequate and carelessly prepared, intelligence had declined."

The child, when you stop to think about it, is pretty much at the mercy of its parents. The least the parents can do is give it a chance to make the most of its inborn intellectual capacities by seeing to it that its diet is up to standard in every respect.

## MIRACLES ARE COMMON-PLACES

A small news item from London tells of the launching of a submarine which carries an airplane with it. Used to modern miracles, as we are, there is something deeply appealing, even startling, about the idea.

From the depths of the ocean a steel fish comes to the surface. A hatch opens, and an airplane emerges on deck, pushed up by an elevator. It unfolds its wings and soars into the sky. When it is through with its bomb dropping it

comes back, folds its wings, drops into the hull, and the steel fish sinks out of sight.  
Think back to the time when you were in school. How many wonderful miracles of invention have you seen developed since that time? Can you recall them all?  
Of course not. And neither can we.

## Spring Point News

Mrs. G. R. Jackson, of Spring Point, is visiting friends in Macleod. Mrs. W. H. Cox entertained at her home at Spring Point on Friday, June 21st, in honor of Misses Mitchell and Brewster, teachers at Olsen Creek and Spring Point respectively. The evening was pleasantly passed with games and dancing.

Mrs. W. H. Cox, of Spring Point, was a Macleod visitor on Tuesday of this week.

Joe Hunter and Miss Martha Hunter, of Spring Point, were Macleod visitors on Saturday last.

Mr. E. Hunter returned on Wednesday after a month's visit at Sheridan, Iowa.

Mr. Brown, has purchased a new Ford Coach from Stewart Brothers. Misses Grace and Alice Bratton, have returned home, after spending the past two years at Kermira Convent, Pincher Creek, Alberta.

Rev. Mr. Branch, left on Monday for a week's holiday at Jasper, Alta.

Mrs. M. Walden from Claresholm, spent the week-end at Spring Point, the guest of Mrs. Chas. Marshall.

Mr. and Mrs. Cecil Altham were visitors at Spring Point on Sunday.

Mrs. Porter from Claresholm, is the guest of her son John Porter.

## JULY BRIDE-ELECT IS GIVEN SHOWER BY MACLEOD FRIENDS

Mrs. Wm. Armer, Macleod, and her daughter, Mrs. T. F. Dixon, Lethbridge, were hostesses at the home of the former on Thursday evening last week at a delightful shower party, in honor of Miss May Ulrich, a prospective July bride. The house was beautifully decorated with lilacs, columbines, Iris and daisies.

There were about 20 young lady friends of the guest of honor present, and a jolly evening was spent in playing bridge, the winner being Miss Margaret Reid, and the consolation falling to Miss Florence McKenzie. After partaking of delicious refreshments, little Ethel Armer appeared on the scene with a doll's carriage and trailer laden with a wonderful variety of hand-some gifts. The carriage was decorated with ribbons and on top was a miniature bride, groom and clergyman, depicting the wedding ceremony. The invited guests were Miss May Ulrich, Mrs. Laurence Dixon, Mrs. Robert Cook, Misses Olive Young, Mabel Young, Marjorie Dean, Margaret Reid, Florence McKenzie, Loretta Wall, Mary Young, Jean Ringland, Marjorie Townsend, Marjorie Armer, Kathleen Barr, Marjorie Greenwood, Emily Armer, Dorothy Dufour and Irene Tweed.

## VETERAN CONDUCTOR GOES TO NEW RUN

A familiar figure will be greatly missed coming into Macleod every other day in the person of Mike Muir, popular passenger conductor, who for about 30 years has been conductor on the Crow's Nest train between Macleod and Medicine Hat.

"Mike," as he is popularly known, made his final trip last Thursday night and will in future take charge of the day train between Medicine Hat and Lethbridge, after a two weeks' holiday. Mr. Muir is one of the oldest C. P. R. conductors in Western Canada, having been promoted as a conductor about the year 1899, and has the remarkable record that he never has had an accident on his train during all these years.

Mr. Muir has many friends in Macleod, and it is with much regret that he leaves his friends here.

## REBEKAH LODGE ADDS NEW MEMBERS - PRESENTATION TO SISTER ULRICH

Mountain View Rebekah Lodge No. 23 is very much alive these days, and are gathering in new members. At the regular meeting on Tuesday evening they initiated five into the mysteries of the Order, this being the third initiation during this term.

The degree taken as usual put on the work in splendid style, although they were handicapped by four of the members being absent. The team is composed of practically all the young members of the lodge, and on

the day train between Medicine Hat and Lethbridge, after a two weeks' holiday. Mr. Muir is one of the oldest C. P. R. conductors in Western Canada, having been promoted as a conductor about the year 1899, and has the remarkable record that he never has had an accident on his train during all these years.

Mr. Muir has many friends in Macleod, and it is with much regret that he leaves his friends here.

Several Rebekah members from Granum were also present.

## To Meet Your Wishes

Your U. G. G. Elevator is there to handle your Grain for you as you want it handled.

And whether you deliver your Grain by cash ticket, for storage or for shipping, you are sure of the best possible service.

Deliver your grain to:

UNITED GRAIN GROWERS LTD

Elevators at Macleod and Granum

this occasion the charges were almost word perfect.

Refreshments were served at the close, which was followed with a presentation to a faithful member who is a July bride-elect.

The Noble Grand Sister Luella Dixon called Sister May Ulrich forward and presented her in the name of the lodge with a case of silver forks. The Noble Grand spoke of the faithful service which Sister Ulrich had rendered to the lodge as the Pianist for the past two or three years, and wishing her all joy and happiness in her future life. Sister Ulrich in expressing her thanks to the members of the lodge for the handsome gift, spoke of the pleasure it had given her to be able to take part and help in the work of the lodge.

Several Rebekah members from Granum were also present.

## Empress Theater

Current Attractions

UNUSUAL MYSTERY FILM WITH CLIVE BROOK, IRENE RICH

Something unusual in mystery dramas is scheduled to open Friday and Saturday at the Empress Theatre. The picture is an FBO offering, "The Perfect Crime," featuring Clive Brook and Irene Rich, and directed by Bert Glenon.

This production is said to employ a situation never before presented on the screen. The story concerns a world-famed criminologist who, bored with the ease with which he can solve criminal problems, decides to commit the perfect crime—to prove that such a thing is within the province of man. His own confession of guilt to save an innocent man forms the dramatic climax.

The story is by William LeBaron, vice president of FBO, and is based on the well known novel "The Big Bow Mystery," by Israel Zangwill. Also—"THE MEERMAKERS," their second Annual Review. A real smart singing and dancing act. Direct from Vancouver—Playing Friday and Saturday.

DANCE-MAD LUPE MAKING WHOOPEE IN "WOLF SONG"

With the brilliant, dazzling role of a beautiful, dance-mad daughter of old Mexico to occupy her versatile talents, the scintillating Lupe Velez never had a better opportunity in any production to be "just herself" than she has in the Paramount thriller, "Wolf Song," which comes to the Empress for a two day run on Wednesday and Thursday—3-4.

Featured with Gary Cooper, striking hero of "Lilac Time," "The Legion of the Condemned" and other famous productions; and Louis Wolheim, "hard-boiled" character actor, Miss Velez plays a part which is in effect a reincarnation of her own life. She dances with the same innate fervor which brought her a part in a theatrical production in Mexico City when she was but a child and which ultimately brought her to fame on the screen.

ADVANCE REPORTS CALL GRIFFITH DRAMA GREAT

No picture of recent years has evoked more spontaneous praise from critics than has "Drums of Love," the epic romance of two brothers in love which D. W. Griffith has fashioned for United Artists and which comes to the Empress Theatre next Monday and Tuesday with Mary Phillip, Lionel Barrymore, Don Alvarado, Lionel Marshall and William Austin in the leading roles.

The picture is said to be so far advanced in the realms of sheer beauty and dramatic strength that no comparison can be made with any modern screen production. In this new masterpiece of his, Griffith is said to have achieved the very ultimate in perfection.

## THE ANSWER

Candidate's Supporter (gradually winding up): "So, I ask you, how much longer are you going to put up with this bunkum?"  
"Chairman (sotto voce): "You've got exactly another five minutes, Mr. Woolfe."—Passing Show.

## SKY TESTED

Your modern high-speed motor of this time of faster transportation. In speed, power and flexibility, the motors of the high-way reflect the influence of the motors of the sky.

The oil that was "good enough" for the motor of 1925 is not good enough for the motor of 1929. Higher speeds, higher temperatures, lighter or compressions, have created more difficult lubricating problems and demand better oil.

Because Marvelube meets the high temperatures and high pressures of airplane operation it is the ideal lubricant for the modern automobile engine. Its rich lubricating properties are inherited from its base—Peruvian Crude.

On the highways as in the skyways, Marvelube gives a smoother performance, lessens depreciation and real operating economy.

There is a grade of Marvelube refined to meet exactly the specifications of your car, truck or tractor. See the Marvelube Chart at Imperial Oil dealers and service stations.

## LOCAL AND PERSONAL NEWS

Vic Reed of Blairmore was a week-end visitor in MacLeod.

Mrs. Allan Young was a visitor in Calgary this week, returning on Friday.

Ed. McCarthy, Jr., and McCarthy of Twin Butte spent the week-end in MacLeod. Miss McCarthy is the guest of Mrs. G. A. Skov.

George McFarquhar was a visitor in Edmonton this week, where his son Edward is in the hospital getting medical treatment for his knee. Mr. McFarquhar reports Edward improving.

Mrs. Whipple of MacLeod has been a guest of Mr. and Mrs. J. P. Ross, Granum, during the last week, and paid a visit to Turner Valley, where Mr. Ross, Jr., is working at one of the wells.

Mr. and Mrs. J. T. Doney left on Monday, June 24th, for an extended visit with friends at Quebec points. Mr. Doney is under doctor's orders to rest up with a view to recovery from ill health and the trip is taken with the object of his recuperation.

Mr. and Mrs. Arthur Young were in Calgary on Thursday of last week attending the Burwash-Young wedding in Wesley Church. Mr. Young returned to MacLeod on the Friday noon train. Mrs. Young is remaining in Calgary for a short visit.

John Rothney was a week-end visitor in MacLeod at the home of his mother, Mrs. James S. Rothney. During the summer holidays of the University Mr. Rothney is weed inspecting for the Government in the Milk River district.

Bishop Ralph Sherman, of Calgary, was a guest of the Rev. F. Randall Powell and Mrs. Powell at Christ Church Rectory on Wednesday afternoon, en route for St. James' Church, Hazelton, to hold a confirmation service.

W. E. Beatty, of Both & Beatty, Engineers, Theatres, has sold his interest in the above partnership to C. J. Hughes, of Neepawa, Manitoba, who has been projectionist at the Theatre for some time past. The new partnership, Both & Hughes, becomes effective July 1st. Mr. and Mrs. Beatty leave on Sunday to take over the Rex Theatre, in Lacombe, Alta. Mr. and Mrs. Beatty have made many warm friends at MacLeod who will regret their departure.

Five candidates were received into the membership of St. James' Church (Anglican) Hazelton, south of MacLeod, when the Right Rev. L. R. Sherman Bishop of Calgary held a confirmation service on Wednesday afternoon. The five candidates were: William Aleck, Eric Thomas Aleck, Wm. Herbert Heath, Joe Francis Collar, Louise Collar. The candidates were presented by the Rector of Christ Church, MacLeod, Rev. F. Randall Powell, under whose charge the church at Hazelton is. The church was filled to its capacity for the service, a service which will remain long in the minds of all who were privileged to be present. Bishop Sherman has just cause for being proud, as he expressed it, of the success which is attending the services of this little church and the devotion and sincerity of all who are attached thereto. Early in the evening the Bishop and Mr. Powell left MacLeod for Pincher Creek for the induction of Rev. W. H. Jeffcott to the Parish of Pincher Creek.

The young ladies of the MacLeod Priscilla club paid a surprise visit on Saturday evening to the home of Miss Mary Ulrich, a July bride-elect, and after spending a pleasant evening, delicious refreshments being served by the members, Miss Gladys McNab read a short address in which the best wishes of the club were expressed for the future happiness of the bride-to-be. Mrs. J. T. Doney, the president, then presented Miss Ulrich with a lovely set of silver salad forks and a gravy ladle. Miss Ulrich in a few words expressed her thanks to the members of the club for the beautiful gifts. The occasion was also taken advantage of to express the regret of the members at the departure from MacLeod of Mrs. P. L. Folkins, who is leaving for Burdett in the beginning of the month. Miss Mabel McCrea read the address to Mrs. Folkins and Mrs. Doney presented her with a set of silver salts and peppers. Mrs. Folkins suitably thanked the members for the gift, stating that she would look back with pleasure to

the meetings of the club in MacLeod.

Mrs. Bramwell was a Calgary visitor on Saturday last.

Mrs. Geo. Parker, of Lethbridge, was a MacLeod visitor on Tuesday of this week.

S. Dillingham accompanied by Mr. and Mrs. W. E. Beatty and Neil Dillingham, motored to Lacombe over the week-end.

See particulars of MacLeod District C. G. I. T. Camp on Front Page of this paper.

### CARD OF THANKS

Having been privileged to work in the town of MacLeod for the past 14 months and to become acquainted with so many of the good people here I would like to use this means of thanking the business men for their hearty support of and interest in our work here. It has been a pleasure to know you and to work in your midst.

My stay has been made pleasant by the warm fellowship of the many Army friends, for which I sincerely thank you and pray that God will abundantly bless.

I have been forewarned from MacLeod and appointed to take charge of one of our city Corps in Edmonton.

B. Leshar (Captain).

### ORTON COUPLE ARE WED AT CARDSTON

Another wedding of interest took place at the Alberta Temple at Cardston June 30, of two of Orton's popular young people. The contracting parties were Arnold, eldest son of Mr. and Mrs. Ernest Champney, and Ethel, second daughter of Mr. and Mrs. Jesse P. Tolley of Orton.

The ceremony was performed by President Edward J. Wood in the presence of a few friends who had motored to Cardston. After the wedding Mr. and Mrs. Champney motored to Waterton Lakes to spend a few days. On their return they will reside on the farm of Champney and sons, three and a half miles east of MacLeod.

The announcement that a Virginian has raised white blackberries recalls that blackberries are red when they are green.

UTILITIES BOARD SATISFIED WITH SALES OF TOWN PROPERTY MADE BY MACLEOD TOWN COUNCIL

On the 14th instant a letter was sent to the Board of Public Utility Commissioners on behalf of one or more citizens of MacLeod dealing extensively with land transactions to which the Council was a party and in this letter the Council was severely criticized for the part it had played in a long series of transactions with town property.

Upon receipt of this letter by the Board it immediately asked Mayor McDonald for a full report on the transactions out of which the criticisms arose. The Mayor in collaboration with the property committee of the Council made a very full and detailed report of each and every one of the transactions complained of and in answer to the report a letter was received at the Mayor's office to-day as follows:

"I am directed to acknowledge your favor of the 21st inst. and to thank you for the complete report you have supplied regarding the sale of land and other property by the Council of the Town of MacLeod, and the Board is satisfied with the action taken by the Town in bringing the tax sale properties back on the tax roll, and does not think that the Council is open to any criticism for the method followed when dealing with these properties.

Yours truly,  
G. A. Thibault,  
Secretary."

### GRADE VIII PROMOTIONS

JUNE 1929

Honors--80% or over--Dorothy Helena Pinder, Marion May Hoodless, Grace Dorothy Hilliard, John Richard Canning, Florence Violet Lantinga, Beryl Sinclair Underwood. Passed--Mildred Naoma Bailey, Violet Eileen Bowden, Gladys Irene Bots, Anna Matilda Fanset, Mable Ganoor Haugen, Albert William Lantinga, Mary Margaret McLeod, Mary Roberta Perry, Margaret Marie Platts, Armina Louis Ringland.

### S. DILLINGHAM HAS SECURED THE SALES AGENCY FOR HUMPHIRE CARS AT MACLEOD

S. Dillingham has the sales agency at MacLeod for Humphire cars--Century Eights and Sixes. Demonstrations and information on request. Watch for later announcements regarding these exceptionally fine automobiles. Humphire manufacturers have never had an off year--never put a lemon on the market. The car of quality--a fair investigation of its merits will without doubt result in a prospective new car purchaser becoming a Humphire owner.

### HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION--SPRING MEDICINE

There is a tradition that when spring comes, we require some spring medicine to purge our bodies of the winter poisons. In the days of the early settlers in Canada, winter did mean misery and sickness, much of which disappeared with the coming of Spring. The sickness associated with winter, among the pioneers, was largely due to their poor diet. Salted meats were their chief food, and there was a lack of vegetables and fruits. In addition, they lived closely crowded together for the sake of warmth.

In our times, our diet in winter can be sufficiently varied because modern methods of preserving foods and up-to-date means of transportation allow us to secure and use fresh vegetables and fruits, or properly preserved vegetables and fruits all winter. Modern heating systems have made it possible for us to be comfortable during the winter, and there is no reason why we should not live and work in ventilated rooms and so secure the fresh air we need.

There is no reason to take spring medicine. There is reason, however, to look forward to Spring and to make use of the advantages which that season brings. Compared with Winter, this means that in the Spring we can be out in the fresh air and sunshine. The only spring tonic we need is Nature's tonic which costs nothing and so can be taken by rich and poor, old and young, without a thought of expense. Nature's tonic is made up of fresh air and sunshine. It is ours for the taking. We must do the taking, however, if we are to benefit by it. The sunshine out of doors which makes the flowers and the grain grow will not do us any good unless we get out into it and take our share of it.

Personal health cannot be bought by money; it is not to be found as medicine in a bottle. To secure health and to keep it, we must spend our time. We must take time to secure the spring tonic provided for us in Nature's fresh air and sunshine.

### RATHWELL NEWS

Service in the Rathwell School House, Sunday, June 30th, at 11 a. m. Preacher Mr. F. Crowson.

### A MISUNDERSTANDING

Questions, concerning Health, addressed to the Canadian Medical Association, 184 College St., Toronto, will be answered personally by correspondence.

And now, off to the art dealer to have the sheepskin framed.

See particulars of MacLeod District C. G. I. T. Camp on Front Page of this paper.

Officer: "You can't turn around in this street, madam." Fair Motorist: "Oh, but I'm a better driver than you think!"--Christian Science Monitor.

Seeing that it required some 85,000 words to draw up the new tariff bill, perhaps it is just as well that it is only a limited revision that the Congress has to consider this time.

### SCOTCH GENEROSITY

Andy, the Scotchman, was to have delivered 20 hens to market one morning, but when they arrived, there was found to be only 19. Finally, late in the afternoon, the last hen was delivered. When asked about the matter, Andy replied: "The dum hen dinna lay its egg 'till just nu!"

There was a time when farmers bought tractors to use with horses. Now they buy McCormick-Deering Farmalls to use instead of horses. It's a great system of farming, folks. Just great!

The longest day has passed. Soon the days will be as short as the man looking for money in an old discarded vest.

The Farmall is a system of farming. With it can be used many fast-working, time-saving machines developed especially for Farmall use. An outstanding example is the 7-foot Farmall Mower, which mounts directly on the Farmall and is operated from the power take-off. Ask us about it.

The average man's life is now divided between worry over two tubes--radio and inner.

The new 7-foot Farmall Mower fits in with the new fast-farming, power-farming idea. It does an excellent job of mowing, and doesn't interfere with the use of your Farmall Tractor

One of the worst present-day monopolies is the way the buses monopolize the road.

You knew that an accurate governor on a tractor engine was essential for satisfactory operation on drawbar as well as on belt work, but did you know that present models of McCormick-Deering Tractors have governors with all working parts entirely enclosed and with all joints thoroughly oiled, thus insuring even-running at all times with practically no attention?

The only time a groom attracts much attention at a wedding is when he fails to appear.

Ball bearings are saving the world from friction and hard work. This is especially true of the McCormick-Deering Ball-Bearing Cream Separator.

You shouldn't kick about being a little "under the weather" when this old earth of ours has been that way since the beginning.

One of our good customers recently bought a new McCormick-Deering Ball-Bearing Cream Separator and hooked it up to his McCormick-Deering Engine that he got last year. Now he says he wants more cows.

More work in less time at less cost per acre is the story of the man who uses McCormick-Deering tractors and power machinery.
